

Smith County Manufacturers/Processors Directory

2010

The 2010 Smith County Manufacturers/Processors Directory contains information on 153 businesses in Smith County, Texas with primary SIC Major Group codes between 20 and 39. The directory excludes listings for commercial printers (SIC Major Group 27). The number of employees for each company are full-time equivalents, calculated by adding half of all part-time employees to all full-time employees.

The Tyler Economic Development Council (TEDC) compiled the information contained herein in fall 2010. The directory can also be viewed and downloaded at TEDC's website listed below.
